Selection of this year's **Top 20 IT Training Companies** list was based on the following criteria:

- Leadership and innovation in IT training
- Breadth of IT training and delivery methods offered
- Company size and growth potential
- Strength of clients
- Geographic reach

“The Top 20 IT Training Companies list features organizations with a great combination of services, size, and innovation in the market,” said Ken Taylor, Chief Operating Officer of Training Industry, Inc. “These companies provide a wide range of services and delivery methods, often over a span of multiple industries and countries.”

“We have five new companies on this year’s list which is a testament to how competitive the IT Training market really is. We received an abundance of quality applications, but we feel like we are presenting the premier IT Training Companies available,” said Doug Harward, Chief Executive Officer of Training Industry, Inc.
